

# Martha's Rule Call for Concern

An Adult In-Patient Safety Service

Are you concerned about a patient's clinical condition, or feel their condition is getting worse?

You can contact the Critical Care Outreach team directly if you feel there has been:

- Ongoing concerns after speaking with the ward nurse or doctor about your condition
- Information about your condition that is unclear or confusing

**or**

- When the concerns you have raised have not been recognised, acknowledged and addressed

**Contact "Call for Concern" by calling our dedicated mobile phone number or leave us a message with your name and number, ward and one of our practitioners will call you back as soon as they are available.**
