

Endoscopic Ultrasound (EUS) – results and advice following the procedure

Gastroenterology - Endoscopy Unit

The prevention of infection is a major priority in all healthcare and everyone has a part to play.

- Please decontaminate your hands frequently for 20 seconds using soap and water or alcohol gel if available
- If you have symptoms of diarrhoea and/or vomiting, cough or other respiratory symptoms, a temperature or any loss of taste or smell please do not visit the hospital or any other care facility and seek advice from 111
- Keep the environment clean and tidy
- Let's work together to keep infections out of our hospitals and care homes.

Introduction

This leaflet aims to show what you will need to do once the results of your Endoscopic Ultrasound are known, and what to expect following the procedure.

Aftercare

When can I eat and drink?

You have been given local anaesthetic throat spray to numb the back of your throat.

You have to wait until.....before you can eat and drink when the numbness will have worn off.

When can I take my usual medicines?

You may take your usual medicines later today and as normal tomorrow.

Special instructions

What instructions must I follow for the next 24 hours?

You have been given sedation and this impairs your reflexes and judgement. Therefore, it is very important that you follow these instructions:

- You must go straight home and have a responsible adult with you overnight
- You must rest for the remainder of the day and have a quiet day tomorrow
- You must not drive for 24 hours (car insurance will be invalid)
- You must not operate electrical items or operate machinery
- You must not drink alcohol
- You must not sign any legally binding documents

When I am at home, how will I feel?

You may have a sore throat which should ease in 24 – 48 hours.

You may feel drowsy from the sedation for the rest of the day. It is important to follow the instructions above.

What if I feel unwell at home?

If you have severe abdominal pain, vomit or pass any blood, have a temperature or have chest pain, you must telephone for help and advice as indicated below.

Who do I telephone for advice?

Your procedure was carried out at our Endoscopy Unit at New Cross Hospital. If you need advice, you could contact the unit as follows:

Monday – Friday, 8am – 6pm, Telephone 01902 694191 or 01902 695191.

At all other times you should attend the Emergency Department at New Cross Hospital (or your local hospital if this is nearer).

You should explain that you have recently had an endoscopy and that you are experiencing symptoms as described above. If possible, bring your copy of your endoscopy report with you, but do not delay if you cannot find this.

Please advise the doctor in the Emergency Department to inform the ward gastroenterologist (9am – 5pm) or the on-call gastroenterologist out of hours.

It may be necessary for you to stay in hospital overnight.
